

Enjoy nature at your own pace, in a week long self-guided kayak/canoe adventure with five locations around North Florida. Win up to \$3,500 cash and compete for prizes doing something you really enjoy, whether you are kayak fishing or just out for a paddle.

### What is EcoQuest?

EcoQuest is a kayak adventure where you choose how much you want to participate, up to five locations. Each location will have five cache sites along specified routes. You must pre-register by selecting and purchasing the locations you wish to paddle. You will be provided with a map with geocache locations circled and GPS coordinates for each. You may use either your GPS for the geocaching sites or Google Earth's mapping system. Geocache locations have "Treasure Boxes" where you must insert your numbered tickets. We will send you a perforated card with your entry number on it and enough tickets to enter in each of the caches you have chosen. At the end of the week, tickets will be counted for each location and winner will be determined during Saturday's Fun Fest.

**Contest period will begin at sunrise**

**Saturday April 3rd and end at sundown**

**Thursday April 8th, 2010.**
